

Riccardo Marangon

Visual & UX Designer Freelance

Open to Remote Work

PROFILE

Creative and detail-oriented Visual & UX Designer with international experience in comprehensive branding, digital interfaces, and promotional materials. Proficient in bridging the gap between design and development through front-end web skills and scalable design systems. Fluent in English, Spanish, and Italian, with a strategic approach tailored to cross-functional and remote global teams.

EXPERIENCE

Jan 2026 — Present

Remote

Visual Designer Freelance

- Architected and executed the custom code reconstruction of multi-page websites, optimizing structure and hosting via GitHub Pages (HTML/CSS).
- Directed visual content production, copywriting, and social media marketing for commercial clients, including highly specific promotional campaigns (e.g., laser epilation treatments for Lux Estetica).
- Built high-fidelity prototypes and scalable design systems using Figma.

Jan 2024 — Jul 2024

Italy

Graphic Designer Antal

- Streamlined the layout and visual structure for technical catalogs, transforming complex data into readable, aesthetically pleasing formats.

Jan 2025 — Jun 2025

Italy

Graphic Designer Diversitech Europe

- Led the layout design and visual structure for the comprehensive "Lineup" product brochure, utilizing advanced InDesign character/paragraph styles to ensure strict brand consistency.
- Developed visual assets and print materials for European trade show booths, collaborating closely with international marketing teams.

Apr 2022 — Jun 2022

Italy

Graphic Designer Internship Advertendo Agency

- Supported branding and advertising projects across various industries, producing high-quality posters and social media content while participating in client presentations.
